***The above Homesites are the closest to Lakeside Park (the water) and Butternut Park. Lakeside is a community of 74 homesites. These first Homesites available are your only chance to be so close, literally steps from the water with great views.***

\*all "view of lake descriptions" are subjective and estimated. Neighbours' house positioning could affect view.  
 ^on a treed homesite, space for the house and septic system will be cleared, front yard will be clear.
